Put the power of Micromedex on your mobile device

❷ 畫面下方即出現 Drug Ref、Drug Int.、IV Comp. 的各自的安裝指引與密碼(共三組)。請透過手機下載手機專屬的App(s)，安裝過程中，依指示輸入密碼即可。

Access Micromedex from your tablet

Micromedex Apps on Mobile Devices

Micromedex Apps on Apple® and Android®

IBM Micromedex® Drug Ref

- The **IBM Micromedex Drug Ref** app for Apple and Android devices is available for FREE for Micromedex customers.
- You can access these apps via the iTunes® App Store and Google Play®.
- You can activate the app by following the simple instructions below.

Simple instructions for installation:

Step 1: Visit the iTunes App Store (Apple devices) or Google Play Store (Android devices) and search for "Micromedex".

Step 2: From all the Micromedex app results, select **IBM Micromedex Drug Ref**. You may be prompted to enter your Apple or Google ID.

Step 3: The app should download directly to your device. (If you visited the iTunes App Store on your PC rather than your device, you may have to sync your device to iTunes on your PC, in order to load the app onto your device.)

Step 4: Open the app on your device. Enter the password **xaSez8** to begin using **IBM Micromedex Drug Ref**. *The password is case-sensitive. Please enter it exactly as it appears here.*

IBM Micromedex® Drug Int.

- The **IBM Micromedex Drug Int.** app for Apple, and Android devices is available for FREE for Micromedex customers.
- You can access these apps via the iTunes® App Store (Apple devices) or Google Play® (Android devices).
- You can activate the app by following the simple instructions below.

Simple instructions for installation:

Step 1: Visit the iTunes App Store (Apple devices), or Google Play Store (Android devices) and search for "Micromedex."

Step 2: From all the Micromedex app results, select **IBM Micromedex Drug Int.** You may be prompted to enter your Apple or Google ID

Step 3: The app should download directly to your device. (If you visited the iTunes App Store on your PC rather than your device, you may have to sync your device to iTunes on your PC, in order to load the app onto your device.)

Step 4: Open the app on your device. Enter the password xaSez8 to begin using **IBM Micromedex Drug Int.** *The password is case-sensitive. Please enter it exactly as it appears here.*

IBM Micromedex® IV Comp.

- The **IBM Micromedex IV Comp.** app for Apple and Android devices is available for FREE for Micromedex customers who currently have a subscription to Trissel's 2 IV Compatibility.
- With the IV Compatibility mobile app, clinicians can view Y-Site, Admixture, and Solutions results from the Trissel's 2 database.
- You can access these apps via the iTunes® App Store (Apple devices), or Google Play® (Android devices).
- You can activate the app by following the simple instructions below.

Simple instructions for installation:

Step 1: Visit the iTunes App Store (Apple devices), or Google Play Store (Android devices) and search for "Micromedex."

Step 2: From all the Micromedex app results, select the free **IBM Micromedex IV Comp.** You may be prompted to enter your Apple or Google ID

Step 3: The app should download directly to your device. (If you visited the iTunes App Store on your PC rather than your device, you may have to sync your device to iTunes on your PC, in order to load the app onto your device.)

Step 4: Open the app on your device. Enter the password SpeHu3 to begin using **IBM Micromedex IV Comp.** *The password is case-sensitive. Please enter it exactly as it appears here.*

註：iPhone (App Store)、Android (Google Play)可下載三項 Apps
Windows Phone (Windows Store)僅提供 Drug Reference App
