圖書/ 電子資源

The screenshot shows the library website at [library.mmh.org.tw](http://library.mmh.org.tw). A red circle with the number '1' is placed over the browser's address bar. A red circle with the number '2' is placed over the '電子資源' (Electronic Resources) link in the '本館服務' (Library Services) section. A callout box labeled '系統操作說明' (System Operation Guide) points to this link. The website content includes a header with the hospital logo and navigation links, followed by sections for '最新消息' (Latest News), '常用資源' (Common Resources), '本館服務' (Library Services), '館藏資源' (Collection Resources), and '論文寫作' (Thesis Writing). The '本館服務' section lists various services, including '期刊文獻申請' (Journal Article Request), '課程' (Courses), and '新書通告' (New Book Announcements).

## 2.Email 相關資源資料至圖書館信箱
